Notes:

1. All final project presentations will be online. The zoom link is the same as the second lecture.
2. The presentation should contain (1) (PowerPoint) [slide-based presentation](#), and (2) [live demo](#). Please also reserve 1-3 minutes for questions from the audiences.
3. If it is your team's turn, all team members need to turn on Camera and microphone. Please double check your computer's setting before the class.
